

General Aviation Maintenance

An event for maintenance providers to engage in open discussion about general aviation aircraft maintenance to include discussions about failure to follow procedures, personal minimums, aging aircraft, positive safety culture and the FAA Safety Team's AMT/WINGS program.

Directions: Pensacola International Airport (PNS) main terminal building upstairs in the conference room on the west side

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
